Welcome back to Term 3. We hope everyone had a restful break and is ready for a busy Term.

Thank you to Officeworks Shepparton, for their generous donation of stationery supplies! We truly appreciate their commitment to education and helping us create a thriving environment for our learners.

THANKS

From the Principal's Desk

Dear Parents,

Welcome back everyone to an exciting Term 3 with many events including: VSSS performance, Swimming, 100 days of Prep, Parent/Teacher interviews, Regional t-ball, Footy Colour Day, Fathers Day stall, Father's Day breakfast and much more. Over the coming weeks, construction will begin on the staff and disabled toilets in the main building. This is part of the Accessible Buildings Program led by the VSBA, to provide improved access for staff and students with disabilities. The redevelopment will provide the school with a fixed hoist and change table facilities in the disabled toilet. Due to the required specifications of the build, the only suitable location in the main building is where the existing staff toilets are with a small extension into the open learning space, just outside 1/2A. As such, there will be some minor access and facility disruptions between now and midway through term 4. The contractors are aiming to do most of the noisy demolition and construction over weekends and during holidays. If you have any questions, please do not hesitate to contact us at the school.

Ditto Show

Yesterday our Prep, One and Two students attended a Personal Safety Education Program here at school hosted by Bravehearts. 'Ditto', the Bravehearts mascot came to life as the star of Ditto's Keep Safe Adventure Education Program.
